Praise the Lord, Ye Heavens  
Mr. Everett O'Hara, Organist

Prichard

Praise the Lord, ye heavens, adore Him;  
Praise Him, angels in the height;  
Sun and moon, rejoice before Him;  
Praise Him, all ye stars of light.  
Praise the Lord, for He has spoken;  
Worlds His mighty voice obeyed;  
Laws which never shall be broken,  
For their guidance He has made.

Praise the Lord, for He is glorious,  
Never shall His promise fail;  
God has made His saints victorious,  
Sin and death shall not prevail.  
Praise the God of our salvation;  
Hosts on high, His power proclaim;  
Heav'n and earth and all creation,  
Praise and magnify His name.

Scripture Reading and Prayer    Rev. Mr. Paul J. West, Pastor  
Central Baptist Church

\* Please stand.

Sermon      The Fate and the Fatefulness of Freedom      Rev. Robert K. Rice

Hymn      A Mighty Fortress Is Our God      Luther  
                 Mr. O'Hara, Organist

A mighty fortress is our God  
A bulwark never failing,  
Protecting us with staff and rod,  
His power all prevailing.  
What if the nations rage  
And surging seas rampage;  
What though the mountains fall,  
The Lord is God of all;  
On earth is not His equal.

Behold His wondrous deeds of peace,  
The God of our salvation;  
He knows our wars and makes them cease  
In every land and nation.  
The warrior's spear and lance  
Are splintered by His glance;  
The guns and nuclear might  
Stand withered in His sight;  
The Lord of hosts is with us.

Benediction      Rev. Mr. Robert J. MacLeod, Pastor, Central Congregational  
   Church

ALMA MATER, M. H. S.

Dear Alma Mater M. H. S.

Our school and our home and our guide to success  
We'll remember with joy every day that we knew  
When we lived with the spirit of you.

You have guided us all in the days of our youth;  
You have taught us to walk in the ways of the truth;  
We have learned to be loyal, courageous and true,  
And to love in the spirit of you.

Though the years will go by and we're far, far away,  
We will never forget this, our vow of today,  
All through this life in each thing that we do,  
We will live in the spirit of you.

## *Superintendent Lincoln D. Lynch*

Drop a pebble in the water,  
And its ripples reach out far;  
And the sunbeams dancing on them  
May reflect them to a star.

Give a smile to someone passing,  
Thereby making his morning glad;  
It may greet you in the evening  
When your own heart may be sad.

Do a deed of simple kindness;  
Though its end you may not see,  
It may reach, like widening ripples,  
Down a long eternity.

Joseph Norris

No vision and you perish;  
No ideal, and you're lost;  
Your heart must ever cherish  
Some faith at any cost.

Some hope, some dream to cling to,  
Some rainbow in the sky,  
Some melody to sing to,  
Some service that is high.

## *Principal's Message*

"Pure air is perfectly dark. It is only the impurities abounding in the air which give us, by their reflection, the glorious light."

—Wiggins Almanack, circa 19th Century  
Thus, magnitude by brilliance, size without.  
Exude but a scintilla, still  
Observe variegated lustre.  
As the speck, so reflect your light,  
Consider not as impure pall but as  
Timely vestige of true resource,  
You are the vexillary of hope.

## *Vice-Principal's Message*

In The Words Of Plato . . .

"By education I mean that training in excellence from youth upward which makes a man passionately desire to be a perfect citizen, and teaches him to rule, and to obey, with justice. This is the only sort of education which deserves the name. That other sort of training which aims at acquiring wealth or bodily strength is not worthy to be called education at all."

Best wishes for the success of every member of the Class of 1969.

Sincerely,

Joseph L. King

## 200 FROSH INVADE M.H.S.

On September 4, 1965, 200 freshmen invaded Memorial High School in Middleboro for what proved to be a four year occupation. The plot for a complete takeover was masterminded by President Gary Booker. His accomplices were Nancy Harlow, Vice-President; Mary Bernabeo, Secretary; and Michael Bolton, Treasurer.

The class was shocked to learn that Gary Booker would not seek a second term as president of the class of '69. Louis Garafalo was chosen to fill the position with Nancy, Mary, and Michael returning to their respective offices.

As our junior year approached, President Garafalo also refused a second term and treasurer Bolton moved to Rochester. Claudia Oliver was drafted to fill the vacant treasury slot and James McQuade was elected President. He was assisted by Nancy, and Mary, who returned for third terms.

In our final class election only the office of President changed. When James McQuade decided not to run for reelection, James Cordeiro announced his candidacy and secured the top post. Nancy, Mary and Claudia returned unchallenged to their respective positions.

## STUDENT COUNCIL MOVES AHEAD

The Student Council does more than represent the student body on important school issues; it also raises money for various school projects. This year, under the leadership of President Debbie MacDonald and V. President Jody Roberts it purchased a pottery wheel for use in Miss Dowd's art classes, and sponsored the Pep Squad which did much to increase school spirit at football games.

## CHEERLEADERS

The biggest event in a girl's freshman year probably occurs when she tries out for varsity cheerleading. Three of the Class of '69's exuberant and lovely girls made the squad. We were—and have continued to be—proud of Mary Baker, Carole Jurgens and Donna MacAuley.

## KRIS KRINGLE A GO-GO

The sophomore class of '69 broke all attendance records with its tremendous Christmas Dance—Kris Kringle A Go-Go. The gym was brightly decorated with Christmas trees and colored lights. Jimmy Cordeiro was the star of the evening as the one and only Kris Kringle. With music provided by the Last Rights, our dance proved to be the biggest social event of the year.

## FROSH FOOTBALL TEAM COMES THROUGH

The freshman football team came through with a safety to win their final game in the closing seconds. The 2-0 score gave them their first victory but we were assured that we would have a winning team "next year." The members of the squad were cheered on to victory by the freshman cheerleaders — Captain Nancy Kahian, Mary Baker, Marilyn Kinsman, Mary Bernabeo, Donna MacAuley, and Tara Murphy.

## SILVER 'M' NEWS

In May 1966, the class of '69 made its first contribution to the Silver 'M' Society with the selection of Mary Bernabeo and Louis Garafalo. The following year they were joined by Nancy Harlow and Charles Soule. In our junior year, Claudia Oliver and David Pawlak were inducted. In the spring of '68 Louis Garafalo was elected president and Charles Soule was seated as treasurer; Mary Bernabeo assumed the duties of secretary. The first business of the year was to welcome Jean Yarsites and Kerry Elkin to the society.

#### AWARDS

Several members of our class have been chosen for special recognition in various fields. Representatives for Girl's and Boy's State were Denise Tibbetts, Gene Connolly, and Lawrence McMahon. The Voice of Democracy Contest was won by Claudia Oliver (junior year) and Marcia Rockwood (senior year). For three consecutive years Kenneth O'Toole has participated in the All-State Music Festival. Representing our school for Student Government Day was Louis Garafalo. Nancy Harlow was presented with the Daughters of the American Revolution Good Citizenship Award.

#### CAMELOT

One of the most memorable evenings of our junior year was May 11, 1968—the night of the Junior Prom. The dance was held at Eugene's Restaurant which was set in medieval decor. A miniature replica of King Arthur's Castle was the main attraction. The highlight of the evening was the crowning of William Michael and Roxanne Dodenhoff as King and Queen. During the intermission, President James McQuade, acting on behalf of the class, presented retiring Superintendent of Schools Stanley Kruszyna with a Harvard chair as a token of our appreciation for the work he had done during his eight year tenure in Middleboro.

#### CORONATION DANCE

The Coronation Dance was held on November 23, 1968. At that time our football queen, Debbie MacDonald, was crowned by Franny Morrison and Lenny Freitag. Her court consisted of Sue Byrne, Nancy Harlow, Carole Jurgens, Jody Roberts, Sue Starrett and Debby Tharion. The Susceptable Mushroom provided the music.

#### VARSITY FOOTBALL

Although their record wasn't perfect, our football team had a good season. The team was led by defensive captain Lenny Freitag and offensive captain Franny Morrison. Other senior members of the team were: Kerry Elkin, Mike Curley, Jim Braga, Gary Lopes, Bill Michael, Joe Lemmo, Dave Pawlak, Chuck Soule, Chad King, Don Rossini, Dave Dutra, Drew Moles, Gary Booker, Marty Cole and Butch Kelly.

Football awards were presented to: Kerry Elkin, recipient of the Judge Francis L. Callan award; Gary Lopes, voted Most Valuable Player; and Marty Cole who was selected for the All-Star Team.

#### VARSITY BASKETBALL

The most exciting game of the season occurred when underdog Middleboro faced the league-leading Plymouth-Carver five who intended to extend their two year, forty-four game winning streak to forty-five; a twenty point separation sank the "Mayflower." Led by Louie Garafalo Middleboro has, at this writing, been victorious in three consecutive games. The senior members of the squad are: Jimmy Braga, Louie Garafalo, Bill Michael, Dave Pawlak, Dick Seaman, and Willy Schobel. Louie and Jim have made Middleboro especially proud in that they have been classified among the Old Colony League's top five scorers.

#### NATIONAL HONOR

In March of our junior year sixteen members of the Class of 69 were chosen to join the Anchrier Society on the basis of their scholastic achievement and good character. Those sixteen were: Mary Bernabeo, Gene Connolly, Sharon Ditano, Louis Garafalo, Nancy Harlow, Evelyn Howes, Joanne Hunt, Chad King, Robin Lewis, Lawrence McMahon, Claudia Oliver, David Pawlak, Marcia Rockwood, Charles Soule, Mitchell Tanguay, and Jean Yarsites. Officers chosen for the following year were: Charles Soule, president; Nancy Harlow, vice-president; Jean Yarsites, secretary; and Marcia Rockwood, treasurer.

In December of our senior year ten more members of the class qualified for National Honor. The Society welcomed: Mary Baker, Marjorie Carver, Michael Curley, Karen Duffy, Pearl Frenchko, Karen Heimerdinger, Sandra Hopkins, Joanne Letendre, Noreen Pittsley, and Michael Sylvia.

## *Class Prophecy*

Years have come and years have gone,  
Still in Middleboro time goes on;  
Classmates of ours have reached great glory  
And now we'll begin to tell the story.

When it comes to running a well-known town;  
These certain leaders won't let us down,  
Oliver, Kahian, Martenson all  
Have their offices in the new Town Hall.

But what would our great nation be,  
Without our leaders to keep it free;  
Harlow, MacDonald, Cordeiro and King  
All help to make the Liberty Bell ring.

John, Robin, Vicki and Jean  
Are making it big on the U.N. scene;  
They found their Russian classes worthwhile  
To help understand the Russians' style.

Helping people in other lands,  
To work better with mind and hands;  
Karen, Jackie, and Lenny have a chore  
To help preserve America's Peace Corps.

Curley, Elkin, Garafalo, and Soule  
All now play a leading role  
In astronauts' safety and enjoyment;  
For Nasa is their place of employment.

If you don't seem to feel just right,  
See Doctors Weston, Silvia, or White;  
Or if it's a confused state you're in,  
Contact the friendly Psychiatrist Flynn.

As far as nurses go, these six won't fail,  
Joyce, Pam, Patty and Gail;  
Along with R.N.'s Diane and Paula,  
They comfort the sick whenever they holler.

Let's lend an eye to the football view,  
And now we see there are quite a few  
Who lead their teams to victory,  
Doug, Drew, Don, and Marty.

Our international basketball team  
Is enough to make a sad face beam;  
Some of these great players are . . .  
Michael, O'Toole, Seaman and Braga.

Franny Morrison can be found  
Standing high on the pitcher's mound;  
But if it's a grand slam you see,  
It was hit by Joe, Paul or Gary.

In the heart of Africa in the dark of the night,  
McQuade, McKenzie, Crowell and Cartwright  
Look the lions straight in the eyes,  
To see which one will take home the prize.

While in the woods surrounding Nome  
Three of our classmates are on their way home;  
Hindemith, Laura, and Holmes with traps  
Are bringing home their prize muskrats.

If driving a car makes you leery,  
Go down and visit John Tassinari;  
And if your engine has a bug,  
He'll call on his helpers Tony and Doug.

But if your engine starts to shimmy,  
Take it down to Bruce and Jimmy.  
Their mechanics appear quite handy,  
Including specialists Billy, and Andy.

Remember that real hot yellow car?  
It seems it has gone very far;  
Dave and Russ are on their way  
To head the company of Smith Chevrolet.

Now we turn to the entertainment world;  
Where Lillian Woodburn is the number one girl;  
Each night she tells jokes from a stool  
At the popular night club of Artie O'Toole.

When it comes to the great talent of being a performer  
Who outdoes who, Barbara or Norma?  
But none could ever be as famous  
As the well known team of Kelley and Thomas.

Among the movies that you see,  
Roles are played by Tim and Merrie;  
While on the stage in a play each day  
Eric and Kathy are stars on Broadway.

All musical people seem to be swell,  
They sing and they play equally well;  
Dave, Sandy, Judy, and Ray  
Make lots of records for us to play.

Now we'll begin to take a start  
On all our classmates who excelled in art;  
Joe, Eddie, and Janet all  
Have paintings on the museum wall.

As you continue down the museum walk,  
And you hear more artistic talk;  
Look around and time will tell,  
It must be the works of Cathy, or Mel.

Have any of you yet to learn  
Of the fashion house of Starett and Byrne?  
And their models who have many fans,  
Jody, Marilyn, Roxie, and Joanne?

When you walk through the Cotillion Door,  
And take a look at the dance hall floor;  
No one ever seems quite as merry  
As Carole, Debbie, Tara, and Terry.

Take a left on Sharon's Alley  
Where you'll find her and Sally;  
Along with assistants Maggie and Gayle,  
They'll style your hair and fix your nails.

If you walk down to a stable,  
You will see a trio able;  
Joanne, Jeanine, and Chris won't fail  
To groom their horses from head to tail.

Marcia, Jane, Evie, and Sandy  
Always have been pretty handy;  
Still they are ready and willing to please;  
After working hard to earn their degrees.

Kenny LeRoy was always quite sly,  
Now he's America's number one spy;  
When he gets into trouble there will be no doubt  
That Linda will be there to help him out.

The famous firm of Pawlak and Connolly  
Have lost to a bridegroom Carol Donnelly,  
They're looking for a new secretary  
But it's hard to chose between Mary and Mary.

At one last glance, we finally see  
Two girls trying to write a prophecy;  
Pearl and Karen spend lots of time  
Hoping to make all the names rhyme.

## *Remember When . . .*

Sandy and Timmy sang the School Street theme song at a P.T.A. meeting.

The Rounseville fire.

The mass Evacuation during our second bomb scare.

The Funny Parade.

The Union Street Gang and "Baby Face" O'Toole.

Wrong-way Pina attempted a basket for Rockland.

Doug Wilbur's custom paint job.

Sharon's wig rose higher than she did on the trampoline.

The night when Ray Hamel thought he was Joey Chitwood.

Our Freshman Football team won their only game against Whitman-Hanson 2-0

Soiree Hey!

Carol's engine fell out of her red Corvair.

National Frog Day.

Mr. Joaquin and his ally "Raid" declared war against all flies and yellow jackets in Room 27.

Kenny, Marcia, Mavis and Bob taught the Algebra 2 class.

We defeated the "undefeated" Scituate football team.

We weren't on platoon system.

Herring Day at the Nemasket River.

The arrivals of Debby, Pearl, and Karen.

When Bob Brown went to a game without a complete uniform.

The reptiles had a party in Miss Dupee's room.

Greg Thomas locked himself in the book room.

Doug fixed his car, and fixed his car . . .

The Tech Tourney.

Claudia was "hung up" on the wire.

The day Kenny LeRoy flew down the stairs.

One of Miss Dupee's snakes appeared in Room 32.

Janet Thomas attempted a telephone transplant with the Driver Ed. car.

Mr. Warchol forgot to plug in the projector.

Remember the "Blood Test" in Physiology.

At last, but not least, we ended Plymouth-Carver's 44 game winning streak.

Mr. Kruszyna,

We, the class of 1969, wish at this time to reaffirm our acknowledgment of your retirement last year.

Your tireless efforts to improve the quality of education in Middleboro have not gone unnoticed nor unappreciated; we extend to you our very best wishes for health and happiness, and with them our salute to a job well done.

## *Faculty Message*

*The man who strives to educate himself must win a certain victory over his own nature. He must learn to smile at his dear idols, analyze his every prejudice, scrap if necessary his fondest and most consoling belief, question his presuppositions, and take his chances with the truth.*

Financial support is a necessary prerequisite for the successful completion of any yearbook. The following pages are filled with the names of contributors who, through their generosity, have enabled us to assemble the 1969 Timaron, a self-supporting and nonprofit publication. It is the staff's intention to reveal the quality of life at Memorial High School as best it can with the very limited space available. When our local businessmen send us their donations they do more than support a yearbook; they help create an historical document, and this is another means of perpetuating quality education. We are deeply indebted.
